A Ministry of Churches of Christ in Queensland

All investments will be administered by the Centenary Development Foundation (CDF) which operates as a ministry of Churches of Christ in Queensland of 41 Brookfield Road Kenmore QLD 4069. Churches of Christ in Queensland is a body corporate under Letters Patent issued under the Religious, Educational and Charitable Institutions Act 1861 to 1959. CDF is a Religious Charitable Development Fund that operates under an Exemption to the Banking Act 1959 (for current Exemption see the Australian Prudential Regulation Authority (APRA) website: www.apra.gov.au).

Investors should be aware that CDF is not subject to the normal requirement to have a Disclosure Document or Product Disclosure Statement and be registered or have a trust deed under the Corporations Act. This scheme has not been examined or approved by ASIC and the investment is designed for those who wish to promote the charitable work of Churches of Christ in Queensland and for whom the considerations of profit are not of primary relevance in their investment decisions. However, such investments are not specifically secured but repayment is underwritten by the overall funds and assets of Churches of Christ in Queensland.

Furthermore neither Churches of Christ in Queensland nor CDF are prudentially supervised by APRA and contributions to the fund do not obtain the benefit of the depositor protection provisions of the Banking Act 1959 and are not covered by the Financial Claims Scheme.
